ORDER

AND NOW, this 22nd day of July, 2020, upon consideration of Plaintiff Rasheem Tillery's Second Amended Complaint (ECF No. 14), it is **ORDERED** that:

1. Tillery's claims against Defendants David Byrnes, George W. Hill, and Mariel Trimble are **DISMISSED WITH PREJUDICE** for the reasons stated in the accompanying Memorandum Opinion. The Clerk of Court shall **TERMINATE** these Defendants as parties to this case because all of the claims against them have been dismissed.

2. The Clerk of Court shall issue summonses for the remaining Defendants, Dr. Ronald Phillips and GEO Corporation. Service of the summonses and the Second Amended Complaint (ECF No. 14) shall be made upon these Defendants by the U.S. Marshals Service along with a copy of this Order and the Court's accompanying Memorandum. Tillery will be required to complete USM-285 forms so that the Marshals can serve the Defendants. Failure to complete those forms may result in dismissal of this case.

3. The time to serve process under Fed. R. Civ. P. 4(m) is extended to the date 90 days following the issuance of summonses by the Clerk of Court.

4. All original pleadings and other papers submitted for consideration to the Court in this case are to be filed with the Clerk of Court. Copies of papers filed in this Court are to be

served upon counsel for all other parties (or directly on any party acting *pro se*). Service may be made by mail. Proof that service has been made is provided by a certificate of service. The certificate of service should be filed in the case along with the original papers and should show the day and manner of service. An example of a certificate of service by mail follows:

“I, (name), do hereby certify that a true and correct copy of the foregoing (name of pleading or other paper) has been served upon (name(s) of person(s) served) by placing the same in the U.S. mail, properly addressed, this (day) of (month), (year).

(Signature)”

5. Any request for court action shall be set forth in a motion, properly filed and served. The parties shall file all motions, including proof of service upon opposing parties, with the Clerk of Court. The Federal Rules of Civil Procedure and Local Rules are to be followed. Tillery is specifically directed to comply with Local Civil Rule 7.1 and serve and file a proper response to all motions within fourteen (14) days. Failure to do so may result in dismissal of this case.

6. Tillery is specifically directed to comply with Local Rule 26.1(f) which provides that “[n]o motion or other application pursuant to the Federal Rules of Civil Procedure governing discovery or pursuant to this rule shall be made unless it contains a certification of counsel that the parties, after reasonable effort, are unable to resolve the dispute.” Tillery shall attempt to resolve any discovery disputes by contacting Defendants’ counsel directly by telephone or through correspondence.

7. No direct communication is to take place with the United States District Judge or United States Magistrate Judge with regard to this case. All relevant information and papers are to be directed to the Clerk of Court.

8. In the event a summons is returned unexecuted, it is Tillery's responsibility to ask the Clerk of Court to issue an alias summons and to provide the Clerk with the Defendant's correct address, so service can be made.

9. The parties should notify the Clerk's Office when there is an address change. Failure to do so could result in court orders or other information not being timely delivered, which could affect the parties' legal rights.
